**SATURDAY, MAY 11TH**  
**7:30 - 9:00 p.m.**  
**LAMORINDA MUSIC**

MVI (Mark Vickness Interconnected) is a Bay Area-based instrumental progressive acoustic group featuring Mads Tolling, violin; Joseph Hebert, cello; Matt Renzi, winds; Dan Feiszli, bass and Mark Vickness, guitar. The group is recording their next album in mid-May. **We are inviting the Lamorinda Music community to a free open rehearsal to prepare for the recording sessions. This is a great opportunity to observe professional musicians preparing to record - and to be the first to hear these new compositions.** You can learn more about MVI at [www.markvickness.com](http://www.markvickness.com). Seating will be limited. We look forward to seeing you there!
